...

Anyway

People are often unreasonable, illogical and self centered;
forgive them anyway.

If you are kind, people may accuse you of selfish, ulterior motives;
be kind anyway.

If you are successful, you will win some false friends
and some true enemies;
succeed anyway.

If you are honest and frank, people may cheat you;
be honest and frank anyway.

What you spend years building, someone could destroy overnight;
build anyway.

If you find serenity and happiness, they may be jealous;
be happy anyway.

The good you do today, people will often forget tomorrow;
do good anyway.

Give the world the best you have, and it may never be enough;
give the world the best you've got anyway.

You see, in the final analysis, it is between you God;
it was never between you and them anyway.
